

When We Check Your Home, We Treat It Like Our Own.

OUR CHECKLIST:

- Check all windows and exterior doors to make sure they are secure.
- Check for water leaks
- Check smoke detectors
- Check for insects and rodents.
- Check that A/C is functioning properly.
- Run water in all sinks, bathtubs, and showers to keep water in the traps from evaporating.
- Run the dishwasher on a short rinse cycle to keep seals from drying out.
- Change A /C filter as necessary
- Fulfill any additional requested tasks or work orders.

YOUR CHECKLIST:
